

Xxxxxx Residence Electrical Work 5/2019

We are looking for an electrician to replace and install the keypad for a residential gate, check the motor, and reprogram the keypad. The home is located at 1234 Main Road in Happy Town, USA. The keypad at the gate on Main Road needs to be replaced because it was cut and taken in the course of a minor vandalism. Please call XXX-XXX-XXXX or email (xxx@xxxx.xxx) for details or to arrange a visit. As you can imagine, time is of the essence.
